

# UCCELLO KETTLE POURING MADE EASY

# 6.08

## DESCRIPTION

The Uccello Kettle features have been carefully designed and crafted to help people with restricted mobility and limited strength.

The Uccello is an all in one kettle and tipper that can be easily and safely used without removing it from the cradle.

**A** The ergonomic handle of the kettle, combines with pouring power technology to provide effortless tilt and pour action.

**B** With an extra wide spout and a large opening at the top, the kettle can easily be filled with water from the tap or with a jug.

- \*Auto shut off
- \*Removable anti-scale filter
- \*Non-slip weighted base
- \*Quiet boiling
- \*Wide spout & large hinged lid
- \*Stainless steel heating element
