# MEMORY CAFÉ

Globe Café

76 Angelo Street, South Perth WA 6151

Monday Mornings  
at 9:30 am

## YOU ARE NOT ALONE

The morning tea is for people living with dementia; an informal and social affair where people come along and join us for a cup of tea/coffee. Join us and relax in warm and friendly company and find companionship with others going through the same journey.

Together, we will ensure that no-one faces dementia alone.
