DESCRIPTION
Dosette boxes provide a simple means of ensuring medication is taken correctly. A range of different styles are available for single or multiple dose tablets. Webster packs provide a full week of medication, and can include multiple doses.

APPLICATIONS
Useful for people who forget if they have taken their medication. The correct dosage can be put into daily compartments and this provides visual reference to see if the medication has been taken.

PURCHASING INFORMATION
Purchase from local pharmacies. Dosette boxes and Webster packs. Price range from $5-$20.
