

**A. Abus
KG747L**

**B. Abus
SU1360**

Features a drop down front.

Place in accessible spot near front door, not in full view from the street.

DESCRIPTION

A secure lock box that can be placed on the outside of the house, to allow family, carer, support staff, ambulance, access to house keys. The box is screwed to the wall and a combination is set.

Access to the box is only available to people who know the combination.

APPLICATIONS

Suitable for situations where the person loses keys, or a person may be in the house with the doors locked, and unable to find a key to let relatives or visitors in.
