Disclaimer: This information is a guide only.

Alzheimer's WA Ltd does not endorse any of the manufacturers, suppliers or the use of any of the products featured. It is recommended that an assessment be sought from Indigo or an Aged Care Assessment Team prior to purchasing Assistive Technology.

Revised 24/09/2020

DESCRIPTION

Overcoming Perception Difficulties:

The use of **colour contrast** to highlight key locations in the home and care support environments, can make it easier for people with vision or perception difficulties to find these locations.

Leaving the door open can assist a person to locate the toilet when they need it.
