

AUTOMATIC SAFETY IRON

6.04

Tefal

Phillips

DESCRIPTION

A range of light weight irons are available with cut off sensor technology.

The sensor detects if the iron has been left and will automatically switch off if left unattended.

APPLICATION

Cut off sensors in the iron prevent fires or burnt clothing if a person leaves the iron unattended for any period of time.

Ideal for people with short term memory loss, to reduce risk without reducing opportunity for meaningful activity.

Purchasing Information:

Available at most retail outlets

Kmart Target Retravision

Harvey Norman BigW

The Good Guys Myer

Available at most major retail stores.

Prices start at \$40.00
