

# Workplace Giving

Get your workplace's corporate sustainable responsibility involved in a worthy cause by supporting Alzheimer's WA

Workplace giving is a simple way to regularly donate and support people living with dementia. It works by taking a small amount of your weekly, fortnightly or monthly pay and donating it to Alzheimer's WA.

For example, if you donated \$20 per fortnightly pay, you will have donated an amazing \$520 to support people living with dementia throughout the entire year.

Ask your employer about setting you up on a Workplace Giving plan and they will organise for each donation to be directly donated to Alzheimer's WA each pay. You will not have to do anything and at the end of the financial year, we will send you a receipt detailing each of your donations.

There is no minimum or maximum contribution required to participate. Donations of \$2 or more are tax deductible.

Alternatively, ask us about hosting a morning tea or fundraiser at your workplace.

## Get your workplace involved and your organisation will:

Support the 41,630 people living with dementia in Western Australia

Offer employees a team building opportunity and build morale

Improve your corporate identity

Create a new network
