CHC33015 Certificate III in Individual Support (Ageing or Home and Community)

Accredited qualification reflecting the role of workers in the community or a residential setting who provide person-centred support.
**CHC33015 Certificate III in Individual Support (Ageing or Home and Community)**

Aged care is a growing industry and provides a great opportunity for an ongoing, satisfying and fulfilling career.

Undertaking the CHC33015 Certificate III in Individual Support (Ageing or Home and Community) provides you with the perfect starting point to your professional career in the aged care sector. Alzheimer’s WA provides you with the knowledge, skills and work experience required to ensure you are ‘job ready’ when you commence your chosen career.

An opportunity to use Alzheimer’s WA’s specialised library and resources is available for all students.

To obtain qualification, students need to:

» Achieve competency in all 13 units (seven core and six elective)

» Complete a minimum of 120 hours work experience

To be eligible for this certificate, students must:

» Have English language, literacy and numeracy skills at a suitable level to document and verbally communicate a support plan with staff and those for whom you are providing support

» Provide photographic identification and obtain a National Police Clearance prior to undertaking work placement

» Be physically able to undertake the role of a support worker

**Metro**

**Location:** 9 Bedbrook Place, Shenton Park

Please refer to our website for course fees. To register, call 1300 66 77 88 or email education@alzheimerswa.org.au

Completing the Certificate III in Individual Support is the first step of your learning pathway. Further develop your skills in providing dementia care by completing one of Alzheimer’s WA’s specialised courses including the Dementia Skill Set or 10719NAT Certificate IV Leadership and Innovation in Dementia Services.
